- Pumpkin Painting
 - Sydney reported that members went to the Hurd Farm and picked and washed pumpkins. They then brought them to the school for grades K-3 to paint.
 - We should make sure that they have clothing that could get paint on it for next year. The paint also started chipping and was slightly messy.
- Farm Credit donated an inspirational book to us that Sam is currently reading. Anyone can choose to read it if they want. "YOU Are Destined For Greatness"
- T Shirts are being ordered and will come in the next 2 weeks. If you still want to purchase one we did buy extras.
- Locker Magnets- we need to decide if we want to do this. Would be about \$7.30 per person.
